

# Seattle Area/Wenatchee Ranch CSA Information Sheet

## Community Supported Agriculture (CSA) • 2009-2010 harvest cycle

### Our Ranch

**Crown “S” Ranch, LLC**, is a diversified, sustainable family farm in Washington’s Methow Valley. On our 120 plus acres of Certified Organic lands, we produce healthy food for families, utilize natural cycles, raise our animals humanely, and protect and enhance the environment.

### Our Practices

We integrate the traditional craft of animal husbandry with new technology to provide environmentally friendly and sustainable food without the use of drugs or chemicals. Our methods produce great tasting beef, pork, and poultry that is better for the animals, better for the environment, and better for you.

### Our Products

We produce pastured beef, pork, and poultry on our certified organic pastures. Our steers are entirely grass fed and finished. Our pigs and poultry’s pasture diet is supplemented only with certified organic feed.

### Our CSA

We offer shares of beef, pork, turkeys, chickens, and eggs with seven monthly deliveries per harvest cycle.

<u>Beef</u>	<u>Pork</u>	<u>Turkey</u>	<u>Chicken</u>	<u>Eggs*</u>
1/8 of a steer approx 50 lbs, dry-aged 6-8 lbs per delivery	1/4 of a pig approx 30 lbs pork 3-5 lbs per delivery	1 turkey November delivery	7 chickens approx 4-6 lbs each 1 per delivery	7 dozen eggs 1 dozen per delivery

Beef and pork shareholders purchase animals in advance of harvest, allowing us to harvest the animals on our farm. This is healthier for our farm and for the animals, since the waste is composted on the farm and the animals are spared a stressful trip to slaughter. The composed waste is utilized as fertilizer to feed our topsoil thus reducing nutrient loss and improving the lands fertility.

Each steer is shared between eight members, and each pig is shared between four members. Together, those members will receive all of the cuts from their animal. (The exception is organ meat such as tongue, heart, liver, and oxtail. If you would like these cuts, please specify on your order form.) In fairness to all members, it is not possible to specify which cuts each member receives. We work closely with our butcher to ensure that the cuts are distributed fairly.

Deliveries will occur in October '09, November '09, December '09, March '10, May '10, July '10, and September '10.

\* Due to limited supply of Egg Shares, an Egg Share is only available with purchase of a Beef, Pork, or Chicken Share with a limit of one Egg share per CSA member.

*Better for the Animals. Better for the Environment. Better for You.*
