

**Crown S Ranch, LLC**  
 Better for the animals. Better for the environment. Better for you.®

## “Haycation” Farm Stay

**Explore, Experience, Connect and Relax...**

*join us on our working family farm in the beautiful Methow Valley!*

### Our Haycation

We are now offering a **Farmer for the Day Experience** or our **Haycation Package**. The opportunity for you and your family to learn about our ethical ranching practices, experience how we care for our animals and our environment, all while connecting and relaxing with your friends and family here in the beautiful Methow Valley.

### Explore

#### **Sustainable Systems**

Come explore our sustainable farm practices and innovative systems including our solar panel chicken trains, passive fly traps, nutrient recycling compost facility, solar powered mobile hen houses, pastured pigs, and rotating grazing paddocks. These are just a few of the ways we produce local food that is better for the animal, better for the environment and better for you!

#### **Animals and Vegetables**

Learn how we pasture and sustainably raise 300 turkeys, 1,800 broiler chickens, 250 laying hens, 85 pigs, 65 steers, and lots of nutritious and delicious vegetables on our certified organic

grounds.

### Experience

#### **Our Farm**

After your welcome tour, you have the opportunity to participate in real on-farm activities. Each day’s activity will vary depending on the season, what needs to be done that day, what your interests are and what skills you’d like to apply. Potential activities include: collecting and cleaning eggs with Icel, moving sprinklers and maintaining the irrigation system with Travis, planting and weeding with Eulogio, sorting, and packing meat with Geza, moving hay with Louis, building and maintaining infrastructure with Russell or setting up for farmers markets with Jennifer.

Daily ranch activities are of course optional, you may instead choose to relax or have area outdoor adventures while staying with us.

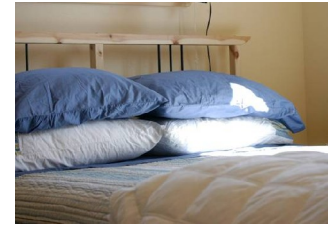

### The Methow Valley

Our valley is renowned for its beauty, community and outdoor recreation activities that include, hiking, biking, climbing, fishing, horseback riding during the spring, summer and fall. See [www.mvsta.com](http://www.mvsta.com) for details, maps and pictures of Methow recreation.

### Our Cottage

As a 'haycationer,' you and your family may stay in our cozy on-farm cottage. This recently renovated cottage easily sleeps four people or with the use of the living room hide-a-bed, it sleeps six. There are two bedrooms, one with a queen sized bed and the other with kid's bunk beds. There is a full kitchen with lots of light, a full bathroom with a shower and tub, and a cozy wood stove in the living room for winter visits. We have lots of great books, puzzles and games for indoor entertainment. You can cook up a storm in our equipped kitchen. Add a local culinary component to your experience with our Valley Bounty Crate.

This is a comfortable, quiet place to enjoy yourself, your friends and your family.
